proceed then the house and senate simply call up simple majority motions to call up the president pro tempore (chuck grassley) to disagree with the VP and to replace him with grassley.

whatever you do don't blame pence for the likely backstabbing by most GOP house and senate members

I honestly don't know this is going to turn out but this is one view I thought was interesting. I don't know enough to know if it's 100% fact.

Believe it or not, I have a job scheduled inside a plant that day. Been scheduled for the past month because that's their shut down day and the only day I can do my thing...

Such a shame I'm submitting my request for PTO that day first thing on Monday and telling the plant testing will have to be completed on the 4th!

6 Help others organize a local rally. Even if you have to work, if you help get people on the streets nationwide it shows we are too big to defeat.

10 I'm fortunate enough to still be working through the second round of shutdowns and worked through the first round of shutdowns.

Losing that is a drop in the bucket vs. what we stand to lose if our country doesn't hear our voices!

42 Boat may actually be the best option after reading local DC pedes arguing over how to get safely downtown (especially for armed units). Think of all those boat parades for Trump. Someone in the boating community needs to start a Trump Ferry Boat Parade where boaters will boat lift protestors across the Potomac if the highways get shut down.

Any advice on great airfare or if you come across any deals — let me know. Or send a ship to dock around the world & pick up dual citizens 🤔 🇺🇸 🇮🇱 🇺🇸

If you park by Arlington National Cemetery you can pick up some patriotic vibes from those buried there. They gave all, to keep us free. Let us honor them with our actions.

2 Will the main action be at the Capital or the White House? I am confused on where I should be booking my hotel at.

-1 Just book one in between fren! I am sure we will get more details in the upcoming days. It's only a hour walk to either, from either as well!

Especially with the advice about it not being for those who are afraid of physical incidents. I will definitely be praying for those who have physical bravery.

2 Thank you so much! I feel so horrible, guilty, and like a bad patriot for not going but I am not that brave.

▼ I am not 'able-bodied' enough to go. I'm so proud of you all that do and any of us around the rest of the country will be in solidarity with you! They should not make the mistake that the massive swarm in DC is the total number of patriots. We are everywhere. We are the super majority.
